

Main Train Cancellation Reasons allocated to Responsible Parties

v1.3 updated 19 May 2023

Cancellations Reasons	Responsible Party
Abnormal working / yard	Rail Operations
Animal hit by train	Force Majeure
Assets Fire Damage	Could be Force Majeure, Infrastructure Manager or Rail Operations
Auxiliary equipment related	Rail Operations
Averted collision	Rail Operations
Bridge collapsed	Infrastructure Manager
Broken axle	Rail Operations
Broken rail	Infrastructure Manager
Cable Theft	Infrastructure Manager
Carriage & Wagons related	Rail Operations
Collision	Rail Operations
Community unrest	Force Majeure
Container / Container Terminal Related	Rail Operations
Covid-19	Force Majeure
Crew issues	Rail Operations
CTC / Train Authorisation related	Infrastructure Manager
Customer-related	Rail Operations
Dangerous Goods / Environmental Spillage and Leakage related	Rail Operations
Derailment	Could be Force Majeure, Infrastructure Manager or Rail Operations
ECP failure	Rail Operations
Electrical Substation related	Infrastructure Manager
Emergency brake application	Rail Operations
EOT Device / Telemeter Failure	Rail Operations
Eskom related issues / Power Failure	Infrastructure Manager
Hook-up	Could be Infrastructure Manager or Rail Operations
ICTM / System / Network-related	Could be Infrastructure Manager or Rail Operations
Industrial Action	Could be Force Majeure, Infrastructure Manager or Rail Operations
Injury / Death of Personnel	Could be Force Majeure, Infrastructure Manager or Rail Operations
ITP not adjusted / ITP related issues	Infrastructure Manager
Kombi issues	Rail Operations
Level Crossing related	Infrastructure Manager
Line obstruction	Infrastructure Manager
Loco await inspection or repair	Rail Operations
Loco battery theft	Rail Operations
Loco failure	Rail Operations
Loco undersupply	Rail Operations
Loco imbalance	Rail Operations
Loco planning	Rail Operations
Loco refuelling	Rail Operations
Municipality related	Infrastructure Manager
No / late Empty Wagon Supply	Rail Operations
No Product	Rail Operations
Non compliance to plans (ITP, YPP)	Rail Operations
Non-supply of Materials	Infrastructure Manager
NWB issues	Infrastructure Manager
OBC-related failures	Rail Operations
Occupations related	Infrastructure Manager
OHTE related	Infrastructure Manager
On-Track Machines Related	Infrastructure Manager
Over- / Skew Loading	Rail Operations
Overborder issues	Infrastructure Manager
Pandroll springs theft	Infrastructure Manager
Perway related	Infrastructure Manager
Point Theft	Infrastructure Manager
Point failure	Infrastructure Manager
Points ran through	Rail Operations
Port issues (TPT)	Infrastructure Manager
Port windbound	Force Majeure
PRASA issues	Infrastructure Manager
Product Contamination	Rail Operations
Radio / TDU failure	Rail Operations
Rail Network related	Infrastructure Manager
Railway Technology related	Infrastructure Manager
Removal of Not-to-Go's	Rail Operations
Rolling Stock Maintenance Related	Rail Operations
Runaway Rail Wagons	Rail Operations
Section Congested	Could be Infrastructure Manager or Rail Operations
Yard / Siding congestion	Could be Infrastructure Manager or Rail Operations
Security related	Infrastructure Manager
Shunting challenges	Rail Operations
SPAD	Rail Operations
Speed Restrictions related	Infrastructure Manager
TE related issues	Rail Operations
Train Robbery	Could be Infrastructure Manager or Rail Operations
Theft	Infrastructure Manager
Vandalism	Could be Force Majeure, Infrastructure Manager or Rail Operations
Wagons related	Rail Operations
Wash away	Force Majeure
Wayside Readers faulty	Infrastructure Manager
Weather	Force Majeure
Weigh Bridge not functioning / not calibrated	Infrastructure Manager
Yard Derailment	Rail Operations
